Introduction

The material presented here is a working copy of my data at this time. Page numbers change when material is added so any specific reference to page numbers has not been completed at this time. Some material contained herein is repeated as it comes from various sources and it needs to be combined but in some cases conflicts in data are obvious. Also all data is taken with a "bag of salt" and is subject to verification and correction. I have tried to document the source of the information and if possible another reference to document the data.

The file is meant to be both a documentation of my family and a place to store data on those with the same name who may or may not be related.

I have attempted to document each piece of information with at least one superscript ie source. These represent the source(s) used and they are identified in a separate reference file.

No index is available at this time either but the search routine of Word Perfect or a modern word processor makes it unnecessary until final page numbers can be assigned.

We are descended from two separate Richardson families. See the Bozeman and Tarbutton sections for more details.

Carolyn Rozelle reports that the parents of John Richardson may have been Robert Richardson.¹¹⁴⁷ The "Richardson" was also shown as Richeson and the family was deeply entrenched in New Kent County, Virginia as were the Cades.¹¹⁴⁷ The dates given however seen to be off to me. His sister married Nathaniel Bacon.¹²⁴⁸ Was this the Nathaniel Bacon of VA rebellions? Many MA families came to VA and NC before 1704.¹²⁴⁸

William Bozeman 1m +

His first marriage may have been to Bridgett Richardson who was transported along with William Bozeman - guess but no proof.¹²⁴⁶

"Cavaliers and Pioneers, Patent Book 2" records¹²⁴⁶:

Mr Ralph Barlowe 850 ac Northampton Co, 10-5-1649, on Noswattock River for transporting 17 persons: himself, Ann Parker, William Bozeman (Boseman), Walter Norton, Bridgett Richardson, Abraham Morgan, Robert Parker, Thomas Daniell, James Kemp, George Parker, John Meller, Elinor Odait, John Peter, one negro, Roger Hengan and Wm Hopkin.¹²⁴⁶

As noted above we are decended from two Richardson families. The first through the wife of Samuel Bozeman and the second through the wife of William Tarbutton.

The grand father of Elizabeth Richardson was William Crump who as a large landowner on the Chester River, MD in th 1680's owning over 1200 acres and having purchased land there as early as the 1670's.⁶⁸⁸ It is possable he was the son of William Crumpp b 1629 who lived in New Kent Co, VA and had sons: William born 1652, Stephen and Robert.⁶⁸⁸
