## Introduction

The material presented here is a working copy of my data at this time. Page numbers change when material is added so any specific reference to page numbers has not been completed at this time. Some material contained herein is repeated as it comes from various sources and it needs to be combined but in some cases conflicts in data are obvious. Also all data is taken with a "bag of salt" and is subject to verification and correction. I have tried to document the source of the information and if possible another reference to document the data.

The file is meant to be both a documentation of my family and a place to store data on those with the same name who may or may not be related.

I have attempted to document each piece of information with at least one superscript ie source. These represent the source(s) used and they are identified in a separate reference file.

Also see Bozeman.

Note J. S. Wigington is also shown in the 1870 census of Pickens County, GA age 60 SC. Is he a brother to Ancel? Others in different households are Adeline 26GA; Elisha 26; Mariah 40GA.

 Photo of tombstone of R. F. Wingington buried at Price Creek  
 Baptiat Church Cemetery, Pickens County, GA but missed in  
 and not reported in the county cemetery book. Robert was  
 the son of Ancel Roe and Rachel Russell Wigington.  
 The tombstone is inscribed: "R (F./E.) Wigington  
 born May 20 1844 died July 12, 1898". I can read the  
 middle initial as either E or F but F is the initial used  
 in past reports and in the history of the family.
